

City of Austin LGBTQIA+ Virtual Town Hall

Help Improve Austin's LGBTQIA+ Quality of Life

The City of Austin LGBTQ Quality of Life Advisory Commission (Commission) and City of Austin's Equity Office is working with HMA Community Strategies to lead an LGBTQIA+ Quality of Life Study. Among many benefits, this study allows the Commission and City to better understand the community's strengths and diversity and more effectively advocate for its needs.

We invite you to be a part of this conversation. Join us either on Tuesday, Dec. 8 or Thursday, Dec. 10 for a virtual town hall from 5:30 - 7:00 PM to discuss key questions and be a part of this historic opportunity to create new pathways of resilience for the LGBTQIA+ community.

Option 1

Tuesday, Dec. 8
from 5:30-7:00 PM

Option 2
