DO YOU WANT TO QUIT SMOKING?

UTHealth is currently recruiting **LGBTQ+** individuals to participate in the **SmokefreeSGM** study funded by the National Cancer Institute. This study will help us learn how people respond to support with quitting smoking via a tailored text-messaging program.

You may be eligible to participate if you are:

- At least 18 years old
- A U.S. resident
- Identify as LGBTQ+
- A current cigarette smoker
- Willing to participate in a text-messaging program
- Willing to set a quit date in the next few weeks

Participants will be compensated for their time and provided with complimentary nicotine patches to aid in their efforts to quit smoking.

You can also contact us by emailing HERG@uth.tmc.edu or calling **(713) 500-9174**.
